

When temptations surround us, it's God who grounds us, He re-  
 minds us who we are. It is people who judge us, but  
 God who loves us. He reminds us who we are. We are His ch-ild- ren,  
 in whom He is well pleas- ed. He is pleas- ed with us.  
 We are His ch-ild- dren, in whom He is well pleas- ed. He re-  
 minds us who we are.
